## Naturally Connected Digest

Volume: 2

Issue: 27

Date: July 24, 2014

### **Water Treatment Plants Recognized for Superior Performance**

The Energy and Environment Cabinet announced that 61 drinking water treatment plants in Kentucky consistently produced drinking water in 2013 that exceeded state and federal water quality standards. The 61 systems are among 149 public ...[Continue reading](#)

### ***The Marketplace*—For Recycling Commodities**

The most recent issue of *The Marketplace* is now available for download. *The Marketplace* focuses on recycling trends, the “all state agency” e-scrap contract and recyclable commodities’ pricing for those in the recycling industry, including ...[Continue reading](#)
